Please attach your typewritten Personal Statement to the following questions:

Students should be aware that both the content (*completeness, depth of thought, clarity of expression*) and the format (*grammar, punctuation, spelling, neatness*) of their responses will be taken into consideration. Students should use this as an opportunity to demonstrate competent writing skills and professionalism.

Address all components of the following questions:

- a) Please explain your desire to enter the social work field. Why do you want to become a social worker?
- b) What personal qualities equip you for the social work profession? Discuss your experiences and feelings about working with populations different from your own.
- c) What personal challenges might you face as a future social worker? How will you address those challenges?
- d) What significant relationships and life experiences (*personal and/or professional*) have you had in giving or receiving help that have motivated you to enter the field of social work?
- e) What social problem most concerns you? What have you done in the past to support this interest and/or how do you plan to use your social work education to address this issue?

This application, Semester by Semester Plan and Personal Statement should be submitted as PDF's to BSWApplications@unt.edu by March 1, 2024 at noon.
